FORE WORDS :**Improving Rural Education :-**

" Aim of the education is to make a man useful for the society, Education is not for the purpose of getting employment only. Highly educational persons are doing research for the benefit of the society in view of above our organization has focused on education that includes academic & professional.

Organization has provided primary education to junior college education in rural areas. A few years age girls from rural areas residing in villages apart from towns. Keeping in mind the girls education we have provided primary to Junior College education to girls and now a days, those girls who were deprived from education. They are getting education in their village itself.

At village Ambetakli organization has been started Shri. Sant Narayan Maharaj Vidyalaya & Shri. Sant Narayan Maharaj Jr. College, from 5th to 12th Std. at Ambetakli, Tq. Khamgaon, Dist. Buldana (Maharashtra).

Under the scheme "Pradhan Mantri Kushal Vikas Yojana" (PMKVY) we have got the sanction of this scheme from the competent authority Shagun Skill Development Centre, Ambetakli is opened under this scheme & Training of "Data Entry Operator" is started now. To educated the boys. Vocationally and made them efficient to get got in technical field.

We place our heartfull thanks to all the community members, Government department for their voluntary support and guidance they have extended in facilitating our work towards improving rural education.

Mrs. Sunandas Shelke
(President)

Smt. Usha Raut
Vice – president

Mrs..Sheela Shelke

SECTORWISE REPORT

(Organization Registration Details)

7.1 Social Welfare :-

Short term Vocational courses are run for women and girls e.g. Embroidery work, Fashion Designing, Dress Designing etc.

Computer training i.e. Data entry operator, Mobile Repairing, Web Designing etc.

7.2 Education :-

The table shows the strength of students in the various educational units of Jijau Mahila Bahu Uddeshiya Shikshan Sanstha.

Sr. No.	Educational Units	No. of Students	Post held
1	Shri. S.N.M. Vidhyalaya (Primary School)	21	
2	Shri. S.N.M. School (Middle)	178	
3	Shri. S.N.M. High School	174	
4	Shri. S.N.M. Jr. College.	395	
	Total -	768	

7.3 Primary School :-

The children's are taught activity based learning. Now adding to the joy of children this year it is decided to make the digital class rooms. Children learn through multimedia content in this digital class room. There is more interaction and enthusiasm in children through this efforts.

A part from quality education, the school imparts value education and yoga to the children. The children are encouraged to take part in co-curricular activities and this year more number of students participated than last year in the competitions held on various important days such as children's day, National science day, word Environment day, Kamgar Day.

7.4:- S.N.M. High School :-

The school was started in the year 2003 as high school. Children from nearby village, Atali, Lakhanwada, Imara, Akoli, Asbe, Gawandhals are admitted in school. The facilities of Education are provided to the students from Rural areas.

7.5:- S.N.M. Higher Secondary School :-

The school with its present strength of tudents gives importance not only to cognitive development of children but also take care of the development of affective & psychomotor curricular action.

7.6:- Shagun Skill Development Centre :-

(Under Pradhan Mantri Kushal Vikas Yojana)

Under this scheme, 'The Data Entry Operator' courses is run by this organization. The children are taught through this vocational training programme. After completion this course every student could be got job in private companies.

7.7:- Computer Literacy & Training Programme :-

In order to acquaint and Rural Youth & women with the word information Technology & to make them computer literate, the socially runs various courses in computer Education for Boys & Girls of school & college in Shagun Skill Development Centre at Ambetaki, Tq. Khamgaon, Dist. Buldhana. knowledge of computers has become a must these days. But, the rural boys & girls are still ignorant about the same. Hence this is an attempt to erase the ignorance for the upcoming and most leaded computer literacy.

7.8:- Women Empowerment :-

A) Vocational Training Programme for Tribal Women :

With view to enrich & strengthen the economical position of the tribal women, our organization has conducted the vocational training programme Tribal women of Wagdeo village, Tq. Mehkar, Dist. Buldana, Maharashtra.

Thus the organization has implemented the vocational training where in these Tribal women were taught sewing, Embroidery, Tailoring and Dress Designing etc. These courses were taught to the Tribal women with an intension to make these women self. Sufficient & self reliant.

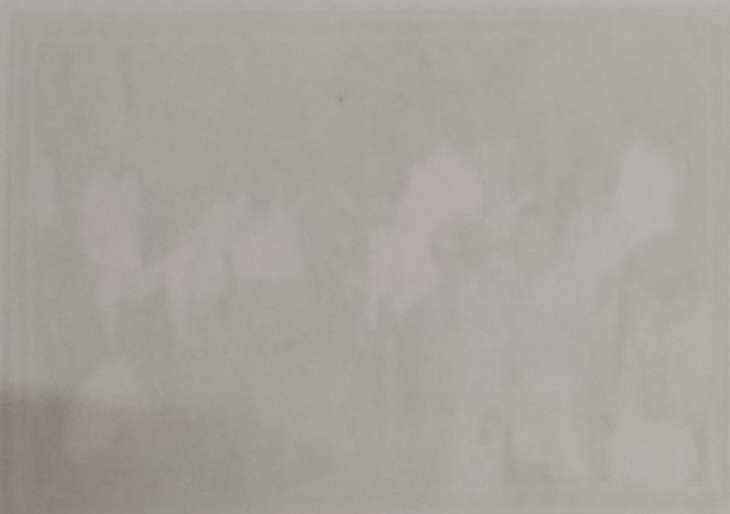

7.8:- Bachat Hat Counselling and Mahila Melava :-

Our organization had organized a Bachat Hat Counselling & Mahila Melava Programme especially for Lady Farmers at Under, Tq. Chikhali, Dist. Buldhana, Maharashtra in which poor ladies were guided on Bachat Hat for their need full and also guidance on the complementary occupation to agriculture like animal husbandry, Dairy farming, Poultry Farm and other small scale farming activities. All the ladies below poverty line were aimed at in this programme so that they may get uplifted and get complimentary income from the same.

7.8:- Women counselling and Guidance Camp :-

Guidance and counselling meets were conducted on 2nd January 2017 in order to general awareness among the rural women to fight the injustice. Our organization sincerely strives for the welfare of distressed women and provides them with services like crisis intervention, avoiding crowd deaths, counselling in cases of marital family mal adjustment etc. The society dedicatedly intervenes in matters to strengthen the social fabric by preventing the families from breaking.

8.1:- A) Environment Awareness Camp :-

Our society believes that each individual living on this earth owes to reciprocate nature's favours. Hence tree plantation drive along with an Awareness generation camp was organized for the rural public at Kela Nagar, Khamgaon, Dist. Buldhana, Maharashtra. Air pollution is responsible for depletion of the ozone layer which prevents the ultra violet rays from causing skin cancer. Spraying of pesticides, heaps of garbage and smoke from automobiles etc. Contribute to air pollution. This triggers a number of disease viz. Asthma and Lungs infection, our organizations has takes the steps to control pollution. Trees are very good filters of air. We have planted a series of trees in common ration of the "WORLD ENVIRONMENT DAY"

8.2:- B) Social forestry and tree planting programme :-

A social forestry and forest act awarness camp was organized by our trust. So that the people should realize the importance of conservation of forestry and wild animals. Trees plantation was major programme conducted in which at least 600 saplings were planted by the villages. The rights and duties towards the protection of forests were also explained to the public by reputed forest officials.

HEALTH

9.1:- Medical Checkup & Counselling for Rural Women :-

As always following the trend of the past years, our society conducted a medical checkup and counselling camps in the rural areas for women and elderly people at Ambetaki, Dist. Buldhana. Another camp for the same purpose was conducted by our society. Women are counseled on personal hygiene and sanitation. They were also given free medical advises as well as free medicines to get rid of their respective ailments. Medicines, tonics, syrup and ointment were distributed free among the villagers.

9.2:- Awareness camp for the gender equality camp.

In 21th century man and women are treated as equal. In every field women are working with man by shoulder to shoulder. The discrimination of genders is totally discarded. In Army, Navy and in paramilitary force the women are working with men. There are no any special previllages given to the women.

OTHER IMPORTANT EVENTS OF THE YEAR

10.1:- Celebration of Teachers Day :-

5th September of each year is celebrated as teachers day. Birth date of late Hon'ble presiden Dr. Radhakrishnan falls on this date. One the day classes are run by the student from the particular class lectures are delivered by the students and the information about life style in drawn on thus the teacher day is celebrated in the school run by this trust.

10.2:- Celebration of Savitribai Phule jayanti :-

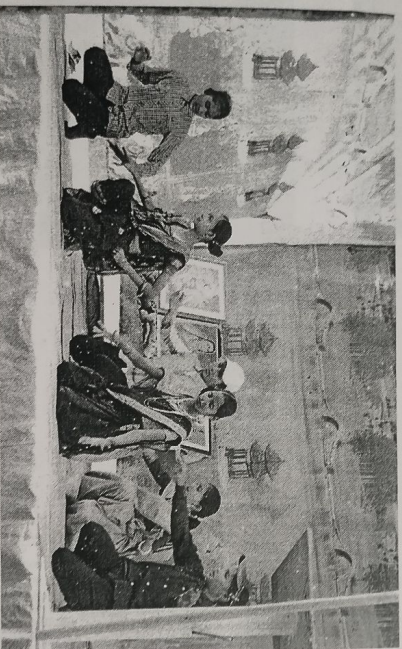

Kranti Jyoti Savitribai phule's Jayanti samaroha is celebrated in our school.

On the stage of large photo of Kranti Jyoti Savitribai Phule is garlanded with scented mogra flowers.

10.3:- Jijau Jayanti Samaroh Saptaha :-

Jijau a lady who has given a birth to Shivaji Maharaj. Who is ideal king who ruled the kingdom with the help of Mawalas, Soldgers were from all the community. The mother of shivaji is a great lady who has borned in family of Jadhav from Shindkhed Raja. To remember the Jijau Maa. The Jayati Saptah is celebrated through out the Maharashtra from 3rd Jan to 12th Jan. of each year. That is called Krantiyoti Savitribai hule to Rajmata Jijau (3rd Jan. to 12th Jan) Saptaha. This saptaha is celebrated by arranging bravery songs, dramas and play the games. The most important is that procession of Jijau & Savitribai Phule. Spool competitions, debate competitions and dance competitions are arranged. Boys and Girls from our school are participating the programme.

10.4:- World women day celebration :-

8th March is the day of world Mahila Day. Programs relating to ladies are arranged and rights legal support to the mahila are explained in Mahila Mahela. Now a days ladies are comparable with gents.

10.5:- Save Girls :- (Beti Bachao)

'Beti Bachao, Beti Padhao' is the slogan of National Level. Girls are to be saved because the number of girls is decreasing day by day. In our society importance to the female child is not given too much.

WHEN
YOU Kill a Girl
Kill Many Others

10.6:- Varmahostav :-

'Varmahostav' mean the planting of trees. In ancient age the importance is given to the trees, the well known rishis had done sannadhi in the Shadow of tree.

In our organization tree planting is done on the land owned by our society and also on the public land.

In the school run by our organization the planting of trees is done on the occasion of 15th August and other specialised day.
